### ***Red Ribbon Drug Awareness Week!!***

Schools across the world provide education to students and families about alternatives to drug and tobacco use. **Here at OLPH we are celebrating on Wednesday with "Don't let drugs twist your mind", providing Twizlers® for each student. Thursday "Don't flip for drugs. Give drugs the boot" by bringing flip flops or boots to school.** Students need to wear appropriate shoes to school for recess and PE classes. In addition, the PTO is providing the dangers of tobacco education to grades one through eight with age appropriate materials discussed in their health class.

### ***"We Walk by Faith" Walk-a-thon***

OLPH's yearly walk-a-thon will be held this Friday following the 8am mass. Please make sure to dress appropriately for the weather. School will be dismissed at 1:30pm and there will be Afterschool Care available from 1:30pm to 6pm.

Please send in permission slips and sponsor sheets by Thursday afternoon. All Walk-a-thon packets went home with the oldest student before Fall Break.

We hope you can join us for this day.

Check out our new computer teacher's Website for information on what students are learning in computer class.

### **Thank you, Kohl's!!**

Five volunteers from our local Kohl's Department Store came by and read to students in grades preschool-3rd grade. The five volunteers were here for about three hours. Not only did they bring their own books to read, they left some classrooms with books and other gifts. Because we scheduled their visit, **Kohl's has donated \$500 to our school!** The next time you're in Kohl's in New Albany, take time to tell them "thank you" for caring for our kids.

### **A Great Big Thank You!**

The coat drive last Monday and Tuesday was a great success. 40+ coats were collected during drop-off. While at the Tri-County Health Coalition dropping off the coats, Vicki McCombs witnessed at least a half dozen coats being adopted. A four-year-old girl walked out with Kate Tindall's old Dora coat. She was so excited! If that had been the only coat that found a home that day, it still would have all been worthwhile. How many lives have been touched in a positive way! Thanks so much for all of the donations. Thank you to Nick Tindall, Nick Berry, Kristian O'Steen, Angela O'Steen, Christy Tindall, and Cindy Schultz.

It is true that God is present everywhere, but His presence is impossible for me to overlook in my two visits to the Tri County Health Coalition. This week, I took clothing donations from Anne Courtney. I was only there an hour or so helping to organize coats that were donated from church over the weekend when three moms came in with their small children looking for coats and clothing. One mom asked for sheets for her son's bed which we were unable to find. Upon leaving, **something** brought her back to look for something for herself in the women's clothing that Anne had just donated. We opened one of the bags and there were the perfect sheets for her five year old son's bed. She was so excited to go home and put them on his bed before he got home from school.

There is still a great need, especially for children's clothing at Tri County Health Coalition where there are no questions asked to prove need. If at any time you come across clothing or coats and would like to donate them, I can pick them up from the school office. Just mark them to Tri County Health Coalition or to me, Vicki McCombs. If you have questions, please call me at 945-4208. Thanks.
