

Dear Middle School and High Schoolers,

Hope you have had a great year. Now that we are getting down to the end of the school year I wanted to let you know of everything that is coming up. Here is a calendar to help you remember all the events going on this summer for youth ministry. I hope that you can attend a few of these great events that we are going to try to put on this summer. There will be more mailers going out closer to certain events with final details. If there is something on the schedule you would like to do please email me, call me or text me to let me know. If you do not do this I will think there is no one interested and we will cancel the event. I want this to be a rewarding summer and want to have fun with all of you.

If you need anything please know I am here for all of you.

Blessings,

Michelle Hoffman  
Youth Minister
